Owner of record of property

To Whom It May Concern,

**I am protesting against** the sewer and reclaimed water rate increases. I was involved in the last stage of implementing of the reclaimed water, all along with the understanding that it would, if anything, reduce water rates for common areas in our HOA community.

I am the current owner.

This letter is a "PROTEST VOTE AGAINST" the proposed sewer and reclaimed water rate increase. With the high cost of living in California (Ventura County) this will be an enormous burden on the elderly, middle and low income residents.
