**Subject:**      **Appointment Supervisor LaVere and Supervisor Long to the Ventura County Health Care System Oversight Committee.**

**Recommendation:**

Request the Board approval to appoint Supervisor Matt LaVere and Supervisor Kelly Long to the newly created Ventura County Health Care System Oversight Committee.

**Discussion:**

On September 13, 2022, the Board of Supervisors ended the VCMC Oversight Committee that comprised of only two Board of Supervisor members and established a new 11-member oversight committee, the Ventura County Health Care System Oversight Committee. This newly formed committee requires representation from two Board members which have been informally filled by Supervisors Kelly Long and Matt LaVere to allow for continuity in the operations of the health care system. Due to the establishment of the new oversight committee formal action is required by the Board, at its discretion to appoint their representation as member of the committee. It is therefore proposed that both Supervisors Kelly Long and Matt LeVere continue to represent the Board on this newly established board.
