Recommendation:

Request the Board approve the reappointment of Dr. Sean Anderson to the Ventura County Resource Conservation District's Board of Directors with a term ending on November 27, 2026.

Discussion:

Dr. Sean Anderson is a resident of Newbury Park and is a professor of Environmental Science and Resource Management at California State University Channel Islands. He has served on the Ventura County Resource Conservation District's (RCD) Board of Directors for several years. He brings extensive experience working with various federal, state, and local agencies, as well as with farmers, ranchers, homeowners on a wide variety of agricultural and natural resource management issues. Dr. Anderson is a valuable addition to the RCD Board and he has expressed a willingness to continue serving. His previous term ended on November 25, 2022 and the Board of Supervisors needs to make an appointment within 60 days of the term end date or the RCD Board will make the appointment.
