**SUBJECT: Proposed 2023 Ventura County State and Federal Legislative Agendas and Platforms**

**RECOMMENDATION:**

It is recommended that your Board approve the proposed Ventura County 2023 State and Federal Legislative Agendas and Platforms.

**BACKGROUND**

Ventura County's legislative program has as its goal the development and maintenance of good, sound, and effective local government. The purpose of the legislative program is to secure legislation that benefits the County and its residents while seeking to mitigate or oppose legislation that would adversely impact the County's delivery of service; to secure State and Federal funding through the grant process; and to shape public policy in priority areas that impact County government.

Each year prior to the State and Federal legislative sessions, your Board provides specific issue direction and overall policy guidance for the County legislative advocacy program. This year's program is outlined in two documents, the State Legislative Agenda and Platform (Exhibit 1) and the Federal Legislative Agenda and Platform (Exhibit 2). They have been developed in coordination with Board offices, County departments, and our State and Federal advocates, and they are intended to be the foundation for how we proceed in both Sacramento and Washington, D.C.

Because of the continuing budget demands on the County General Fund, the starting point for formation of the proposed legislative agenda and platform must be the County's budget process. Most of the issues provided for your Board's endorsement address present or expected demands on the County General Fund. However, special needs of non-General Fund departments, such as the Department of Airports, the Health Care Agency, and Harbor Department, are also addressed.

**DISCUSSION**

The State and Federal Legislative Agendas and Platforms are intended to effectively convey your Board's position on legislative and funding priorities to the County's representatives in Sacramento and Washington D.C. These policies and proposals outlined in Exhibits 1 and 2 are not intended to be exclusive of other positions your Board may adopt, and the order in which each item is outlined is not meant to reflect a prioritized list but rather used as a tool to track each item.

This Board letter has been reviewed by County Counsel and the Auditor-Controller's Office. If you have questions concerning this item, please contact Michele Guzman, CEO Legislative Analyst, at (805) 654-3836.

Sincerely,
