DISCUSSION:

I request our Board approve my recommendation to appoint Sergeant Sean Pewsey as the law enforcement representative on the Behavioral Health Advisory Board (BHAB). Sheriff Fryhoff has recommended Sergeant Pewsey's appointment to this important Board. Sergeant Pewsey is currently assigned to the Therapeutic Inmate Management Unit. I believe he will be a great addition and will provide critical insight to the BHAB. Additionally, I request approval to reappoint the individuals listed above to the various County of Ventura Boards, Commissions, and Committees. The individuals listed for your consideration are respected members of the community who desire

to engage in public service and are eligible to partake in the boards, commissions, and committees on which they will serve.

Please join me in support of the appointment of these community members whom I believe will be valuable assets to the work of the County of Ventura boards, commissions, and committees' respective missions.
