To whom it may concern:

As a resident of Oak View, CA, I am appalled that you have considered eliminating the County's campaign finance ordinance and raising campaign contribution from \$750 per person to \$5500. This leverages the wishes of only the wealthiest of our residents and quiets the voices of most of us. This is an egregious mistake and a horrible idea. Please do not do this. Let's keep big business and corporations from an outsized voice in our local politics.

Thank you,
Terri Laine
