Re: Grimes Rock, Inc./Saticoy Properties, LLC
Water Rights and Variance Application pending

Dear Jeff:

With this letter, I am providing to you a copy of the formal Notice of Entry of Order concerning FCGMA's Motion for Stay along with the actual formal Order showing it being entered through filing on September 13, 2023. FCGMA has formally been served with this as required under the Rules of Court, but I am providing it again on behalf of Grimes Rock, Inc. and Saticoy Properties, LLC.

We reiterate that our clients very much desire to work with you and your staff cooperatively. The litigation has been a long multi-year slog and I cannot imagine that FCGMA enjoyed it, certainly our clients did not. We are hoping for a spirit of reconciliation and cooperation with FCGMA involving our clients, and we are seeking to open that channel of communication.

Please let the Board know about this letter and enclosure and our clients' desire to sit down with you and avoid any more tussle.

Very truly yours,
