We are currently trying to open a new loction here in the small community of Nyeland Acres. It is located @ 3170 santa clara ave oxnard ca. It is on the corner of rice ave/santa clara ave and auto center drive. This location formally was Quinn Rental and bud and ken lumber. The name of this store would be los amigos market #2. It would be very similar to our other location. We would like your support. The reason for this petion letter is we would like to sell beer and wine at this location. Please sign this petition if you support this cause. I think the store would benefit this community, especially the residents that have no way of getting the the store because they have no means of transportation. THANK YOU for your support
